Are you curious about acupuncture? Have you always wanted to know more? Join The Business Forum for lunch and learn how it works and how it can help you. Certified Acupuncturist and Chinese Herbalist Michelle Buchanan of the Isthmus Acupuncture Center will join us to share information and teach us about a couple of acupuncture points for women's health.

Michelle graduated Magna Cum Laude with a Master of Science in Oriental Medicine from The Midwest College of Oriental Medicine. Michelle is board certified by the National Certification Commission for Acupuncture and Oriental Medicine (NCCAOM). Michelle is certified in Traditional Chinese Medicinal Gynecology by the Blue Poppy Institute specializing in women's health, infertility, and custom herbal formulas.

Michelle learned about acupuncture and Chinese herbal medicine after struggling with many health problems following two serious auto accidents. After five years of poor health, Michelle was able to heal her body and became healthier than she had been her entire life.
